Welcome to Riddle Village

Every resident enters Riddle Village with a different story to tell. We offer three lifestyle experiences to ensure each one of our residents are living their life to the fullest, each and every day!

Who We Are

Riddle Village is a Lifecare retirement community located in Media, Pennsylvania. Conveniently located right next to Riddle Hospital, part of the Main Line Health System.

The luxurious but cozy environment— both inside and out—indulges all the senses. Friendly staff members exude warmth as they welcome residents and their guests. A rich program and activities schedule provides many ways for residents to socialize, learn, relax, play and keep fit.

Our Values & Goals

Riddle Village opened in 1993 as a community dedicated to offering quality service to all our residents. From the day we welcomed our first residents, we have held a commitment to providing a stimulating and healthy environment for those who live here with us. Comfort, security and a friendly family atmosphere define Riddle Village. From elegant decor and 4 unique restaurants to indoor parking and attached buildings, we make it easy for our residents to enjoy where they live and help them feel safe. Our goal is to allow our residents to embrace an active lifestyle. We also offer many supportive services with the understanding that residents sometimes need and appreciate a little help later in life.

What makes Riddle Village different?

The obvious answer to many at first would be our personalized quality services or high-end amenities.

But take some time to get to know us and you will realize the true difference is not always in what you see, but more about how you feel.

We invite you to step foot into our continuing care retirement community and interact with our residents, staff and executive team. It will be clear that our goal is to be accessible, transparent and welcoming.

At Riddle Village we live and breathe our contagious motto “smile, say hello and everything else will follow.”

We are proud to be known as a vibrant and upbeat community, making it easy to call Riddle Village home.

Come experience the difference for yourself...our door is always open!
