everyone!

Every resident enters Riddle Village with a different story to tell. We offer three lifestyle experiences to ensure each one of our residents are living their life to the fullest, each and every day!

Independent Residential Living

Ideal for those who enjoy an active, comfortable lifestyle that provides the freedom to live your life your way, every day. Independent Residential Living at Riddle Village features a luxurious, resort-style environment accompanied with a wide array of services and amenities. This includes restaurant style dining, weekly housekeeping, indoor parking and so much more!

Personal Care

A professional staff of licensed practical nurses and certified nursing assistants provide our residents with support of their activities of daily living. Services such as medication management, bathing, dressing and walking to common spaces throughout the community can be expected. Attention to detail is our priority, offering the best care in an engaging environment.

Skilled Nursing

Skilled Nursing services are provided to residents who require medical supervision in a 24-hour care setting. Specially trained staff monitor health and wellness regularly and are equipped to address more complex care needs. Physical, Speech and Occupational therapy services are available to those who require rehabilitation.

Lifecare at Riddle Village

Riddle Village Lifecare provides living accommodations, residential services and amenities — plus unlimited long-term Personal Care and Skilled Nursing Care — without an increase to the monthly service fee (some exceptions apply). Lifecare helps assure that our residents will never face financial ruin because of Personal Care or Skilled Nursing costs. This contract provides peace of mind, less stress and more opportunity to enjoy life to its fullest.

Financial Certainty

The predictable and stable costs for short or long-term care is one of Riddle Village's biggest strengths. We provide our residents short or long-term nursing care when they need it and for as long as they need it, at virtually no additional cost to the resident's monthly service fee. Your monthly fee remains predictable even as your situation may change. Should your need for care change, your address and financial obligation will not.

We look forward to welcoming you to our
community soon and showing you all the places and people
that make living at Riddle Village so special!
